WELCOME TO THE

2016 Rhode Island Equitation Championships

Dear Friends,

Welcome to the 36th annual Rhode Island Equitation Championships. We look forward to this event each year and endeavor to create an event that is both challenging and fun. This year we are very excited to be holding the show once again at Heritage Equestrian Center.

As always, we want to thank the many sponsors who help us make this final such a great competition for all who qualify. Without their generous support we would not be able to hold the Championships each year. We hope that all exhibitors and trainers will thank the contributors who have made this day a reality.

For those of you who have qualified we congratulate your accomplishment. This special day is for you, your horse or pony, your families, trainers, grooms and friends. We truly hope you enjoy yourselves!

Good luck to everyone at the 2016 Rhode Island Equitation Championships!

Frequently Asked Questions

HOW DOES THE STANDBY LIST WORK?

It takes a single win to qualify for the Finals, but you could be invited to compete in the Finals based on your points on the Standby List if you don't ever win a qualifying class. Each time you compete in a Medal Qualifying class you are accumulating points as follows: 2nd=6, 3rd=4, 4th=2 (a first doesn't count for points because once you get a first you are qualified and your name comes off the Standby List).

When the qualification period ends two weeks before the Championship show, we take a look at the number of qualifiers for each division. If there are less than 25 qualifiers, we will invite the remainder from the top point earners on the Standby List.

Once everyone has pre-entered, we look again to see if 25 or more have pre-entered. If there are less than 25 qualifiers pre-entered, we will invite the remainder from the Standby List.

This does mean that you might not get a lot of notice to compete so if you are close to the top, you should have your medical forms ready and be available to go to the show. If you can't make it to the show, please let us know as soon as possible so we can give your spot to the next competitor.

HOW DO I KNOW WHEN TO TAKE MY HORSEMANSHIP TEST?

We have posted specific times to take your test (go to rifinals.com/classlist.html to see the schedule). You should arrive at the tent a few minutes before your scheduled time to find a seat and get checked in.

HOW IS THE FOOTING?

We are in a stone dust ring (same as what is used at NE Finals) so we are confident that if it is maintained properly the footing will be really good. But we are aware of the concerns about dust. The owners of the venue continue to work very hard over the summer to work on multiple ways to control the dust. This is a BIG priority for us!

ARE YOU TAKING STEPS TO ENSURE THAT THE SCHOOLING AREA IS SAFE?

We have a large schooling area that will have an in-gate attendant ensuring that a maximum of 10 (the next 10 to go in the posted order) is not exceeded and who will direct riders if some one should fall. We will also provide flags on the jumps to keep everyone jumping in the same direction.

WILL HORSES BE ALLOWED IN THE SPECTATOR AREA?

No! Signs are posted everywhere, and we hand out a diagram to all competitors specifying where horses will and will not be allowed. No horses will be allowed in the vendor area or the spectator's areas.

VENUE DIAGRAM

Our focus is to make the RIEC a fun and safe experience for our riders, spectators, horses, trainers, grooms, staff, and vendors. To that end, we will be restricting horses from certain areas as well as restricting spectators from certain areas.

In this diagram, dark gray areas are for spectators only – no horses will be allowed in those areas at any time. Light gray reas are for horses, riders, trainers and grooms only – no spectators (and no dogs) will be allowed in those areas at any time. The line with arrow is the ONLY route for horses to get down to the indoor ring, the lunging area, the holding area or the schooling area. Horses are not allowed to cut through the grass area near the tent AT ALL!!!

We will also be using a system where the schooling area will be limited to the next 10 to go. There will be an in-gate keeper at both rings. Riders can also warm up in the indoor ring prior to entering the schooling ring if they want to. The "horseway" ramp will ONLY be used for horses entering or exiting the show ring. The next two to go can stand in the horseway to watch if their horse/pony can stand quietly.

JOHN BLAIR AND FOXGATE FARMS

Thank you for your relentless dedication to developing riders who share your passion and love for the sport and the horses. You have taught Abby to be a horseman and a rider, and under your watchful eye she has achieved more with her riding than we ever dreamed she could! Without you, Abby wouldn't be half of what she is today. It is because of your support and the confidence that you have fostered in her that we look forward to stepping into this ring in just a few years time.

With much love, appreciation and respect,
Sam and Abby
